

ORDER FORM
Plasmid DNA Processing & Manufacturing

Instructions:

1. Fill in all fields completely.
To order multiple plasmids, please complete a form for each plasmid.
2. Make 2 copies for each plasmid in your order.
3. Keep one copy for your files.
4. Send one signed copy with your sample* to:

Nature Technology Corp.
4701 Innovation Drive
Lincoln, Nebraska 68521
Phone: (402) 323-6289
Fax: (402) 323-6292
Email: natx@natx.com

*Please send at least 1µg plasmid DNA sample in solution,
 or on spot filter paper such as: Whatman 3MM.

Samples must be labeled and sealed to avoid contamination.

Plasmid Name	Low Copy†	Quantity	Concentration <small>(0.5 mg/mL is standard)</small>	Buffer <small>(TE pH 8.0 is standard)</small>
		mg	mg/mL	

†Additional charges apply to low copy plasmids

Other (specify)

Antibiotic Resistance Marker:	
Origin of Replication:	

Brief Description

Validation: Restriction Enzyme 1:	Expected fragment size(s):
Restriction Enzyme 2:	Expected fragment size(s):

I certify that the plasmid(s) each contain(s) less than 2/3 of a viral genome and no toxic gene(s).

Signature: _____ Date: _____
